Dear Parents

## **Wasn't Fun Day Fantastic?! ☺☺☺**

We don't have final figures yet but whatever our profit then we know for sure that everyone had a great time! So many of you have made positive comments about how much you enjoyed the event. How many burgers can one man barbecue! I always enjoy seeing our "old boys and girls" come back with their friends, looking all grown up, and the younger ones having the freedom to go off on their own and spend some pocket money independently.

A key feature this year was the number of children involved in a whole variety of ways, from singing, dancing, demonstrating..... They all made the day special ☺

A huge thank you to all of you who helped on the day, as well as to the stalwart committee who now need to catch up on their sleep...zzzzzzzz!

## **Well done to all of the children who have been out of school in recent weeks!!**

I just want to share with you some of the comments we have had recently, when the children have been to sports fixtures, outside educational settings, or the High Schools. Invariably, teachers, teaching assistants and parents come back saying how proud they were of our children, and reporting on positive comments from members of the community or outside providers.

On a similar note, we do go out of school a lot and often call on you for help as walking escorts, drivers and extra adult support in general. Thank you to all of you who have given so generously of your time throughout the year.

**Uniform shop...** our uniform volunteers are opening up shop after school this Friday.

**School reports- these will be issued next Wednesday 8<sup>th</sup> July.**

## **Health and Safety**

Is your child properly equipped for warm weather? Apart from sun hats, please ensure that their footwear is suitable (flat sandals), and that they are bringing their water bottle each day.

Yours sincerely
