INVESTORS IN PEOPLE

Newsletter, 13th May 2009

Dear Parents,

Urgent message on behalf of our PTA We have received very few returns from last week's newsletter requesting help for the Fun Day. Experience suggests that parents will rally round at the 11th hour! What this means in practice though, is worrying weeks for our stalwart band who are working away to get things in place for this special event. Will there be enough hands on deck ON THE DAY? Please send in your return tomorrow, or sign up on one of the lists displayed around school. We need you ☺

Reminder from Mrs White Dinner cheques are payable to Cheshire West and Chester Council. We are still having to return cheques to parents to be altered because they are incorrectly made out.

A message from Mrs Hart 'A big thankyou to everyone who contributed to the Bag2School collection; we raised £300 in total for the school. The next Bag2School collections will be 5th November 2009 and 22nd April 2010.

A message from Mrs Cameron Thank you and well done to Y3 for their cake sale last Friday which made a fantastic £133.76. However, Year 1 still hold onto the lead with their total of £148.40. Can Year 2 beat them with the last cake sale of this year on Friday 19th June???

Dates for you Dairy A revised calendar is issued along with this newsletter. Please note that we have now fixed the final INSET day for this school year as the last day of the summer term. Thank you for your understanding of our need to make a change. Training and development opportunities for colleagues in school are precious, and we are keen to stay cutting edge in delivering the IT curriculum. Moving the day has meant that we can still secure our day's training.

School holiday dates 2009-2010 Your child should be bringing home a list of dates today.

Message for year 4 parents – you have extra mail today.

After School Club Grid Your child should have received an After School Club grid today. Please return it to school no later than Monday 18th May.

Yours sincerely

C.M.Slater, Headteacher
